according to your steadfast love*

PERSONAL AND COMMUNAL PRAYER

GOD'S HEALING MERCY IS FORGIVENESS

Gathering Hymn:

“Make me a channel of your peace”

or

"Plea for Africa"

Give a thought to Africa
'Neath the burning sun.
There are hosts of weary hearts,
Waiting to be won.
Many lives have passed away,
And in many homes
There are voices crying now,
To the living God.

Chorus

Tell the love of Jesus
By her hills and waters.
God bless Africa
And her sons and daughters.

Breathe a prayer for Africa.
God the Father's love
Can reach down and bless all hearts
From His Heav'n above.
And when lips are moved by grace,
They so sweetly sing.
Pray for peace in Africa
From our living God.

Chorus

Welcome into the Circle of Prayer:

We come together in prayer to consider what God says to us about mercy and forgiveness. Granting forgiveness to someone who has wronged us is a struggle. However, when asked how many times we should forgive Jesus said “seventy times seven.” That doesn’t mean 490 and we stop. It means we’re required to forgive again and again. This is not an easy thing to do. But through forgiveness we create opportunities for healing and growth. May our prayer help us to be instruments of mercy and advocates for the sacredness of all life in our world.

Reading

May we heal the fissures and cracks in our collective soul
May we see ourselves from a different point of view
May we let go of outmoded beliefs
May we recognise the opportunities our stories offer for growth and
acceptance
May we release the love
May love replace fear
May we accept our personal responsibilities to make a difference
May we see that there is enough for everybody
May we eradicate poverty consciousness from our destiny path
May we be open to receive abundance from the law of sharing
May we dedicate ourselves to Earth and her changes
May we make the leap of faith into a new way of relating to our planet
and her people
May we stand in our truth and not be afraid to dream big
May we acknowledge that each person has something beautiful to
offer
May we not be blind to these sacred gifts
May we not put limits on our Creator

May we remember our true purpose
May each soul be like a bead strung on the necklace of co-operation
and teamwork
May humility have it's way
May we experience balance and beauty
May we commit ourselves to peace
May we celebrate our diversity in the oneness of love
May we be ourselves and flower freely
May we resonate and glow
May we take the next step
