Weaving a New Fabric of Mercy Through Global Contemplation and Ecological Conversion

A REPORT OF MERCY GLOBAL PRESENCE PROCESS
September 2019 – June 2021

www.mercyglobalpresence.org

Mercy Global Presence provides reflections from theologians, artists, grassroots ministers, global thinkers, scientists, and distinct voices from the Mercy world with reflective prayers and reflected action unfolding in new and energizing ways in this new time.

The process calls forth and offers insight into new images of God, new language, new theologies, new spiritualities, new ministries, new ways of being church, and a new sense of humans living in a sacred communion of all creation.
