

MERCY INTERNATIONAL ASSOCIATION PRESENTS

Mercy to Earth Programme

Monday 14 Sept - Friday 18 Sept

The two themes, Earth and Mercy, are the essence of Pope Francis' message for the World Day of Care for Creation in 2016, "Show Mercy to our Common Home". In the context of the Year of Mercy that the Catholic Church celebrated that year, Pope Francis released the important message and enshrined "care for our common home" as an official work of Mercy.

This programme will give participants an opportunity to gather together and reflect deeply on their understanding of Mercy to Earth. A variety of presenters from around the Mercy world will be invited to share their wisdom in this area. Following each presentation, there will be a reflection process to engage participants in dialogue that can lead them to personal transformation and meaningful action.

LET US HEAR

"both the cry of the earth and the cry of the poor" (Laudato Si', 49), **and do our best to ensure an appropriate and timely response.** Pope Francis

The programme will begin at 10.00am on Monday 14 September 2020 and conclude on Friday 18th September at 4.00pm.

Cost: €650 (Residential); €450 (Non-residential).
