

DAY TEN: 4th December

Rape as a Weapon of War...

We knew the Lord's Resistance Army (LRA) was nearby, but it was shocking to see them arrive and brutally round up the men and boys in our village. One of the leaders an older man, pointed at me, then two soldiers approached and roughly lifted me up and locked me in the back of a jeep. I was just 15. For the next seven years I was one of this leader's six 'wives', cooking, cleaning and constantly moving from place to place. I had two children with him. It was only when the Ugandan army ambushed our LRA camp that I was rescued.... (As heard by the writer at the UN in Geneva)

Question

What is my reaction to this horrific true story?

Global Facts

- Rape and sexual abuse are not just a product of war but are used as a deliberate military strategy. (*Amnesty International*)
- At first, rape as a weapon of war in Syria was committed only inside prisons, but it became more widespread and systematic (Laurent Stoop/Al Jazeera)
- While it is undisputed that strategic rape is an unlawful tactic of war, no state has ever been held accountable, nor any individual prosecuted for its use.
