Musings for the Journey: Presence to Earth

Guiding Group

- In what ways do I feel a deep and abiding connection with Earth?
- What does it mean to me to know that the life of creation is an ongoing, living utterance of God?
- How does knowing we are intimately connected encourage me to nourish my connections with Earth?

In my hearing these voices and seeing these presentations on the Presence of Earth:

Resonance

In all the voices – theologian, artist, distinct voice, scientist, minister, global thinker, prayer maker – which voice speaks most passionately to me about being present to Earth?

Resistance

In all the voices, which one speaks something that I do not want to hear about my being present to Earth?

Resilience

In each voice, what do I learn about how I see Earth most clearly and most present in my life and in my ministry?

Opportunities for Sharing:

- Who do I know who would love to see this, or part of this, process?
- How could I get it to them?
- What is something I have read or seen or heard elsewhere that really connects with this process, that's too good to keep to myself?
