

Nicole's Final Profession

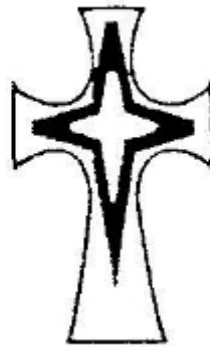

On Friday 11th August, Nicole Keenan took the step of making her Final Profession with the Institute of Our Lady of Mercy. It was a beautiful occasion and some of Nicole's family including her mum Colleen and her brother Evan travelled from New Zealand to be with her, as well as many Sisters and friends. The ceremony took place in Holy Trinity Church, Dockhead and then everyone made their way around the corner to St Michael's RC Secondary School where a lovely meal was had. We wish Nicole every blessing and grace as she continues to explore her Mercy journey alongside us.
