

Musings for the Journey: People and Deep Social Change

Guiding Group

- What are the important social markers for me of this age in which we live?
- What social changes do I find most challenging?
- In what ways can I continue to help shape a world which responds to 'the cry of Earth and the cry of the Poor'?

In my hearing these voices and seeing these presentations on People and Deep Social Change:

Resonance

1. What did I hear and see that matched my own way of thinking and dreaming?

Resistance

2. What did I hear and see that caused me to feel some resistance?

Resilience

3. What did I hear and see that I had never been aware of before but makes perfect sense and brings me much hope when I ponder it now?

Opportunities for Sharing:

- Who do I know who would love to see this, or part of this, process?
- How could I get it to them?
- What is something I have read or seen or heard elsewhere that really connects with this process, that's too good to keep to myself? Please send it on to Anne Walsh at mgpfeedback@mercyinternational.ie
